

ZASSALITCH IS SLAIN

RUSSIAN GENERAL REPORTED
KILLED IN A BATTLE WITH
THE JAPANESE.

GREAT FIGHT HAS OCCURRED

GENERAL KUROKI'S FORCES DE-
FEAT THE RUSSIANS WITH
HEAVY LOSSES.

Paris, May 11.—The Matin's St. Pe-
tersburg correspondent says it is
persistently rumored that there has
been a big fight near Maotienting pass
between the Russians and General Ku-
roki's army. The Russians, he says,
lost heavily, Lieutenant General Zassa-
litch being among the killed.

REPORT NOT CONFIRMED.

Battle Said to Have Occurred Near
Liaoyang.

London, May 11.—Thus far no con-
firmation has reached London of the
reported battle near Liaoyang.
One of the explanations of the resto-
ration of the Port Arthur railway sug-
gested here is that the landing of the
Japanese at Pitsewo was interrupted
by a gale and compelled their tempo-
rary retreat to the coast, or that the
Japanese are allowing the line to
remain open for the removal of non-
combatants from Port Arthur prior to
a bombardment.

According to telegrams from Shang-
hai, General Kuropatkin is making a
general concentration of troops at
Maotienting pass, where the next
great battle is expected to take place.

IN THREE DIVISIONS

JAPS ADVANCE TO CUT OFF THE
RUSSIANS CONCENTRATED
AT LIAOYANG.

London, May 11.—The Shanghai cor-
respondent of the Morning Post, under
date of May 10, says the Japanese
army is advancing in three divisions—
the first from Fenghuancheng toward
Liaoyang, the second from Polandien
and Chucun to Yungyaocheng, and the
third from Sullencheng to occupy
Kullenhsin, with the object of severing
communications with the rear of
Liaoyang, where only small prepara-
tions for defense have been made.

The Chronicle's correspondent at
Shanghai, under date of May 10, says
that the Japanese First army from
the Yalu river already is threaten-
ing the Russian position at Hai-
cheng. The second army, marching
in three divisions in order to co-operate
with General Kuroki, has defeated the
Russians near Watungien with great
loss, the correspondent says. He adds
that the Japanese artillery was splen-
dently handled.

The Chronicle notes that there are
two Wafung Tien, one on the rail-
way north of Port Arthur, twenty
miles from Pitsewo, and the other
forty miles west of Kaping, on the
road to Fenghuancheng.

The Chronicle's Tokyo correspond-
ent declares that Port Arthur will be
bombarded with heavy guns, and that
a concentrated assault will be made on
a well known vulnerable point in the
defenses.

GARRISON OF PORT ARTHUR.

Russians Claim They Have Thirty
Thousand Men There.

St. Petersburg, May 11.—The garri-
son at Port Arthur is stronger than
heretofore has been stated.

"There is no reason to keep the
strength of the garrison at Port Ar-
thur a secret," said a high official.
"The Japanese know it because of
their perfect information. We have
20,000 soldiers and 10,000 sailors there.
The latter will not be used on the
fortifications, except as a last ex-
tremity. The Japanese will not obtain
possession of our fleet even if they
capture Port Arthur. The orders to
the commander there are that he shall,
when a fall is inevitable, put to sea
and engage the enemy. We do not
propose for the Japanese to find in the
harbor a number of valuable warships
which they can seize and add to their
fleet. Moreover, in battle the Japa-
nese will suffer as well as our ships,
and those of the latter which do not
escape will go down to the bottom."

MAN AND WIFE DEAD.

Probably Swallowed Poison and Then
Turned on the Gas.

Chicago, May 11.—Secretary Edward
Jarnigan of the Potter Paper company
and his wife were found dead in their
home Tuesday. Appearances indicate
that both had swallowed poison and
then turned on the gas.

Several Persons Injured.

Atlanta, Ga., May 11.—A head-on
collision between north and south-
bound passenger trains on the South-
eastern occurred near Rockmart, Ga., last
night. Several were injured, but not
seriously.

REPORTS SEVERAL SKIRMISHES.

General Karkevitch Details Operations
Against Japs.

St. Petersburg, May 11.—The general
staff has received a dispatch from
Major General Karkevitch, dated May
9, which says:

"On May 5, our scouts discovered at
Liaoyhaipuzo, fourteen miles north of
Tukushan on the left bank of the
Talinhe river, a Japanese detach-
ment one regiment strong. During a
fusillade with a line of Japanese
sharpshooters, one Cossack was killed.
"At Luanmyako, eight miles north
of Tukushan, on the same bank of the
river, our scouts were subjected to
firing from the right flank.

"On the same day they met on the
main road from Fenghuancheng four
and a half miles from Saltzaipudza
on the Talinhe river and twenty-nine
miles north of Tukushan, the extreme
outposts of the enemy's scouts, who
hid in the mountains.

"On the following day Japanese
scouts appeared at Handajou, six
miles south of Saltzaipudza, and in the
valley of the Sedezke river near the
mouth of the Sedzhokhito.

"According to Chinese information
Japanese detachments numbering three
infantry regiments in all are in the
mountains fifteen or twenty miles
from Doyanche."

A telegram from General Karke-
vitch dated May 8, reports that the
Korean garrison at Pekton, on the
Yalu river, consisting of seventy-five
men, has surrendered to the Russian
scouts in that town, also giving up 700
poods of food and forage prepared for
the Japanese.

Sustained No Casualties.

On April 23 another party of scouts
had an encounter with a small detach-
ment of Japanese cavalry at Meda-
lieng, seven miles south of Pekton, but
sustained no casualties. On the same
day General Karkevitch occupied the
town of Pektonlin, twenty-one miles
south of Pekton. Here he destroyed
a considerable quantity of provisions.
On that day also a third detachment
of scouts had a skirmish with a small
detachment of Japanese, the Russians
sustaining no losses.

At Russian scouting party encounter-
ed the enemy seven miles from Ujan
and eighteen miles northward of Pek-
ton, near the Yalu river. The enemy's
force was composed of 200 Korean
soldiers and 200 Japanese wearing
Korean uniforms. The force occupied
a position on the steep heights. After
a well sustained fire the enemy with-
drew to Ujan. The Russian casualties
were one soldier killed and four
wounded and seven horses killed.

On May 7, eight Cossacks recon-
noitering between Sinsinting, forty
miles east of Mukden, and Tsalantchan,
thirty miles southwest of Sinsinting,
were attacked at Tchanzifgon by a
band of well armed robbers, appar-
ently Chinese bandits. During the en-
suing fusillade one Cossack was
wounded and three horses were killed.
A guide and a Chinese interpreter were
also killed.

FLEET MAKES A RAID

NUMBER OF JAP TRANSPORTS
SUNK BY PORT ARTHUR
SQUADRON.

Paris, May 11.—According to the St.
Petersburg correspondent of the Ma-
tin, a high officer of the naval general
staff declares that the entrance to
Port Arthur is still free and that the
squadron went out on May 9 as far
Pitsewo, where the torpedo boats sunk
a number of Japanese transports.

MAY GO TO PORT ARTHUR.

Vice Admiral Skrydloff May Try to
Reach His Command.

Paris, May 11.—The St. Petersburg
correspondent of the Echo de Paris
says:

"Vice Admiral Skrydloff and Vice
Admiral Bezobrazoff have been noti-
fied of the resumption of communica-
tion with Port Arthur so that they may
attempt to reach that place.

"Military circles affirm that the re-
lations between Viceroy Alexieff and
General Kuropatkin are strained, the
former wishing to share in the plan-
ning of future operations.

"General Kuropatkin's telegrams to
the ministry of war indicate irritation
on his part."

RUMORS SET AT REST.

Russian Vladivostok Squadron Safe in
Port.

St. Petersburg, May 11.—Informa-
tion which was received by the em-
peror Wednesday set at rest all ru-
mors affecting the Vladivostok squad-
ron which is in that port. Vice Ad-
miral Skrydloff will not attempt to ef-
fect a junction with the Port Arthur
fleet.

The squadron will use Vladivostok
as a base for raids, but will be pre-
served intact until the Baltic fleet ar-
rives in the Pacific, when it will pro-
ceed to sea and report to Rear Ad-
miral Rojestvensky at a certain de-
termined point.

Captured by Sassaki's Troops.

London, May 11.—The correspondent
of the Times at Tokio says it appears
that the capture of Fenghuancheng
was effected not by the troops which
fought on the Yalu, but by a mixed
brigade under General Sassaki, which
crossed the Yalu at Changeng and
moved on Fenghuancheng by a moun-
tain road.

There are men who don't mind being
kicked blue if they can only be talked
about.—Elliot.

JAPS ARE REPULSED

HURL SIXTEEN THOUSAND MEN
AGAINST THE BATTERIES OF
PORT ARTHUR.

RUSSIANS HOLD THE FORTS

ATTACKING ARMY SAID TO HAVE
LOST HEAVILY IN EFFORT TO
TAKE FORTRESS.

St. Petersburg, May 11.—A great
battle occurred Tuesday between Port
Arthur fortress and a large force of
Japanese. The Japanese threw 16,000
men against the batteries, but were re-
pulsed by General Stoessel's troops.
The Japanese loss was heavy. No con-
firmation of the battle has been re-
ceived by the general staff.

JAPS BOMBARD PORT ARTHUR.

London, May 11.—The Tokio cor-
respondent of the Morning Post, cabling
under date of May 10, says that a high
angle bombardment of Port Arthur is
proceeding.

GET NO PARTICULARS

BUT RUSSIANS REJOICE OVER
NEWS THAT PORT ARTHUR
ROAD IS OPEN.

St. Petersburg, May 11.—The most
important official news from the front
is that of the complete re-establish-
ment of railroad and telegraphic com-
munication with Port Arthur, though
how it was brought about and whether
a battle was necessary to accomplish
it are mysteries which Viceroy Alex-
ieff failed to clear up.

The elation of the authorities, a
natural consequence of this achieve-
ment, is sobered by official dispatches
showing the activity of the Japanese
in Eastern Manchuria. Huangthang-
gai, fifty miles northeast of Fenghu-
ancheng, was occupied by the Japanese
May 5. This enables an advance
along the bad roads to the flank either
at Liaoyang or Mukden. The terri-
tory between the main road to Feng-
huancheng and the river Tayang has
been penetrated by such a strong force
of Japanese as to lead to the sugges-
tion that another army has landed at
Takushan, of which the outside world
has not before heard.

The activity of the Japanese, how-
ever, has been expected and therefore
has not diminished the satisfaction
felt at the opening of communication
with Port Arthur. The Slav swings
from pessimism to optimism as quick-
ly as a pendulum and Viceroy Alex-
ieff's dispatch has produced a feeling
among the people that the defeat on
the Yalu and the interruption of com-
munication with Port Arthur should
not have been taken so seriously;
that General Kuropatkin never had
any intention of making a stand on
the Yalu; that the attempt to cut off
Port Arthur was an absolute failure
of the enemy's plan of campaign and
was bound to occur sooner or later,
and that the Russians should be thank-
ful that they had time to prepare for
the defense of Port Arthur until Gen-
eral Kuropatkin could relieve it.

Wires in Working Order.

The people naturally wish for more
details concerning the re-establish-
ment of communication with Port Ar-
thur. All they know definitely is that
the railroad has been repaired and that
at 5 o'clock Tuesday afternoon the
first dispatch passed over the recon-
structed telegraph lines.

There probably has been some fight-
ing, but whether with Japanese ves-
sels or with the troops north of Pitse-
wo is not known, nor have the details
of the Japanese landed on the
southern port of the Liaotung penin-
sula been definitely established. It is
safe to say, however, that no engage-
ment of importance has occurred in
order to re-establish communication.
Undoubtedly news of such a victory
would be made public promptly owing
to the state of the temper of the peo-
ple. All impatience arising from Gen-
eral Kuropatkin's gradual withdrawal
has disappeared. The Japanese, see-
ing that the withdrawal was thorough,
and with the care that has distinguish-
ed their past operations, after making
sure that no Russians were left be-
hind, cut the vital line of communica-
tions.

The Japanese division operation
May 5 and May 6 east of Tayanghe
must not be confused with the army
at Pitsewo, because the latter de-
barked on May 6. If a third army had
landed at Takushan, it could have
moved to Fenghuancheng and flanked
the Russians, in case General Kuroki
had encountered strong opposition.

The suggestion of another Japanese
debarcation is generally discredited.
The force acting independently is be-
lieved to be attached to General Ku-
roki's army. Whether or not an army
was landed, a member of the general
staff says that the Japanese are plac-
ing southern Manchuria absolutely un-
der control before beginning a for-
ward movement, thus guarding against
threatened Cossack raids.

WILL BUILD THE CANAL.

John Findley Wallace Is to Be Chief
Engineer.

Washington, May 11.—Admiral Wal-
ker, president of the Panama canal
commission, received a telegram Tues-
day from John Findley Wallace of
Chicago, general manager of the Illi-
nois Central railroad, accepting the ap-
pointment of chief engineer in charge
of the construction of the canal. Mr.
Wallace will receive a salary of \$25,-
000 a year.

"Mr. Wallace has been considered
for some time by members of the canal
commission for the position of chief
engineer," said Admiral Walker. "No
one stands higher in his profession or
is better equipped to take up the work
mapped out than he, and the commis-
sion is to be congratulated on securing
the services of such a man."

Mr. Wallace will take up his work
with the commission on June 1. It
has not been determined when he will
visit the isthmus, all matters of detail
being left for a future conference
with the commission. In regard to
the salary to be paid Mr. Wallace,
Admiral Walker said that when a man
undertakes to direct the construction
of the Panama canal project it is
necessary for him to burn his ships
behind him and that \$25,000 is not too
high for a man competent for so im-
portant a trust.

NEW JERSEY REPUBLICANS.

Elect Delegates to Chicago Convention
Who Favor Roosevelt.

Trenton, N. J., May 11.—The Repub-
lican state convention which was held
here Tuesday for the purpose of elect-
ing delegates to the national conven-
tion to be held in Chicago on June 21,
was unusually enthusiastic.

Governor Franklin Murphy, United
States Senators Kean and Dryden and
State Assessor David Baird of Cam-
den were elected delegates to the Chi-
cago convention.

The platform adopted by the con-
vention was a strong endorsement of
the Republican national and state ad-
ministrations and indirectly favored
the nomination of President Roose-
velt to succeed himself, although the
delegates were not instructed.

DELINQUENTS WILL BE SUED.

World's Fair Stock Subscribers Must
Meet Payments.

St. Louis, May 11.—The board of
directors of the world's fair Tuesday
took important action on the question
of collection of delinquent stock sub-
scriptions by adopting a resolution in-
structing the general counsel of the
exposition to institute legal proceed-
ings against all stockholders who are
still delinquent on May 15. It was
stated that while there is a compar-
atively small percentage of the total
stock subscription remaining to be
paid into the treasury, nevertheless
in justice to the stockholders gener-
ally those who had failed to meet the
payments of their subscriptions must
be required to do so.

BULLET IN HIS BODY

THE EVIDENCE INDICATES YOUNG
WENTZ WAS MURDERED IN
VIRGINIA.

Bristol, Va., May 11.—The shrunken
and decayed body of Edward L.
Wentz, who has been missing since
last October, was literally taken to
pieces Tuesday by physicians and de-
tectives in the course of the coroner's
inquest which was begun at 4 o'clock
in the dark cavern of Black Mountain
and was closed without a verdict by
the coming of night.

The startling feature of the inquest
was the discovery of a 32-caliber
pistol ball in the body which might have
been discharged from the empty pistol
of the same caliber found eighteen
feet from the remains. The ball had
passed through the fifth rib, entering
in front, had penetrated the heart, a
back rib and lodged in the muscles of
the back, one and a half inches from
the spine. Several holes were found
in the clothing where other bullets
entered, but beneath them the body
was intact. The right hand was miss-
ing and was probably borne away by
wild beasts. A white pearl button,
which could not have belonged to the
murdered man, was found near by.

There is a great difference of opinion
as to the cause of Wentz's death,
whether accidental, suicide or murder.
Many believe it was suicide.

Knoxville, Tenn., May 11.—Warrants
were served Tuesday on Silas Isom
and Tom Wright, prisoners in jail at
Tazewell, Tenn., charging them with
the murder of E. L. Wentz. These
men were first suspected of being the
murderers of Wentz because a blood-
stained riding suit similar to one worn
by Wentz when he went riding was
found in their quarters in the moun-
tains.

CAPTAIN ALLEN SUICIDES.

Ill Health Drives Brother of "Private"
John Allen to His Death.

St. Louis, May 11.—Captain Walter
Allen of St. Louis, connected with the
world's fair Jefferson Guards, and a
brother of "Private" John H. Allen,
national world's fair commissioner
from Mississippi, committed suicide
Tuesday by shooting himself through
the heart in a room in the dormitory
of the Washington university, now
utilized by the exposition. He left a
note stating that ill health had driven
him to commit the act. His wife and
two children survive him.

ASK FOR ASSISTANCE

CHICAGO CAPITALISTS WANT TO
ESTABLISH NEW RAILROAD
IN CANADA.

TO LINK LAKES AND OCEAN

PROPOSED LINE WOULD CON-
NECT THE GREAT LAKES AND
THE ATLANTIC.

Ottawa, Ont., May 11.—Chicago
capitalists waited on Sir Wilfrid
Laurier during the day and asked that
the government guarantee bonds to the
extent of \$20,000,000 on a railway
from Gaspe Basin on the Gulf of St.
Lawrence to Georgian Bay, to connect
the Great Lakes and the Atlantic.
They also asked the government to
guarantee the bonds for a bridge over
the St. Lawrence at Montreal to the
extent of \$7,000,000. The new enter-
prise is to be called the Central Trunk
railway and will take the place of the
old Atlantic and Lake Superior should
it be incorporated and receive govern-
ment aid. The premier said he would
consider the matter.

MERGER OF TELEPHONE LINES.

All Independent Concerns in the Unit-
ed States to Be Consolidated.

Louisville, May 11.—The Post says
preliminary steps toward the consoli-
dation of all the independent telephone
lines in the United States will prob-
ably be taken at a conference which
will be held in this city between Presi-
dent J. G. Spence of the Pittsburgh and
Allegheny Telephone company and the
officials of the Louisville Telephone
company.

The Pittsburgh representatives are
now in Toledo inspecting the inde-
pendent telephone plant in that city.

The visitors will be shown over the
local plant of the Home Telephone
company and in company with the rep-
resentatives of the Home company
will go to St. Louis, where a confer-
ence will be held with the officials of
the Kinloch Long Distance Tele-
phone company of that city. The St.
Louis conference, it is believed, will
be final.

THE METHODIST CONFERENCE.

Sixth Day's Session Taken Up by Ad-
dresses and Resolutions.

Los Angeles, May 11.—The sixth
day's session of the general conference
of the Methodist church was mostly
taken up by addresses by fraternal
delegates. No business other than the
presentation of a few resolutions and
their reference to committees was
taken up. Rev. Dr. Waddy Moss of
Didsburgh college, Manchester, Eng.,
came before the conference in behalf
of the English Methodist church. He
pilloried the prevalence of mystical
tendencies in the church abroad.

Rev. Charles H. Crookshank of Ire-
land spoke for the Methodist church
in Ireland. He asserted that the
Methodist church has gained numeri-
cally, though other churches had lost
on account of immigration.

No Battle in Acre Territory.

Lima, Peru, May 11.—Foreign Min-
ister Pardo said to a correspondent
Tuesday that there is no truth what-
ever in the report that a battle had
taken place between Peruvians and
Brazilians in the Acre territory.

ROBBED THE RED CROSS.

Russian Official Said to Have Taken
Over Half a Million Dollars.

Berlin, May 11.—Die Post publishes
a news agency dispatch from St. Pe-
tersburg which says that General
Schwedoff lost over \$500,000 through
speculation in stocks and took the
money from the Red Cross treasury.
In order to avoid scandal the em-
press dowager reimbursed the sum.
The dispatch further says that Prince
Gallizin and Count Lamsky have also
been guilty of irregularities in connec-
tion with the Red Cross management.

FOR THE JAPANESE NAVY.

American Firm Gets a Contract for
Submarine Boats.

Newport News, Va., May 11.—From
a high source comes the information
that a contract has been awarded the
Newport News Shipbuilding company
for the construction of four Lake sub-
marine boats destined for service with
the Japanese navy in the war in the
far East.

Shipyard officials here refuse to
confirm or deny the report, but it is
known that the yard has been rushing
work on warships contracted in an
indirect way for the mikado's govern-
ment for some time past.

DR. AMES ON THE STAND.

Former Mayor of Minneapolis Testi-
fies in His Own Behalf.

Minneapolis, May 11.—Ex-Mayor
Ames was on the stand yesterday in
his own defense in his trial for bribery.
He caused something of a sensation
by declaring that W. A. Tanner, now
dead, was collector of campaign funds
for the Republican party of
Hennepin county among the gamblers
and prostitutes. Dr. Ames denied Ir-
win Gardner's statement regarding the
collection of "graft."

Russian Vladivostok Squadron Safe in
Port.

St. Petersburg, May 11.—Information which was received by the emperor Wednesday set at rest all rumors affecting the Vladivostok squadron which is in that port. Vice Admiral Skrydloff will not attempt to effect a junction with the Port Arthur fleet.

The squadron will use Vladivostok as a base for raids, but will be preserved intact until the Baltic fleet arrives in the Pacific, when it will proceed to sea and report to Admiral Rojstvensky at a certain determined point.

Captured by Sasaki's Troops.

London, May 11.—The correspondent of the Times at Tokio says it appears that the capture of Fenghuancheng was effected not by the troops which fought on the Yalu, but by a mixed brigade under General Sasaki, which crossed the Yalu at Changeng and moved on Fenghuancheng by a mountain road.

There are men who don't mind being kicked blue if they can only be talked about.—Elliot.

JAPS ARE REPULSED

HURL SIXTEEN THOUSAND MEN
AGAINST THE BATTERIES OF
PORT ARTHUR.

RUSSIANS HOLD THE FORTS

ATTACKING ARMY SAID TO HAVE
LOST HEAVILY IN EFFORT TO
TAKE FORTRESS.

St. Petersburg, May 11.—A great battle occurred Tuesday between Port Arthur fortress and a large force of Japanese. The Japanese threw 16,000 men against the batteries, but were repulsed by General Stoessel's troops. The Japanese loss was heavy. No confirmation of the battle has been received by the general staff.

JAPS BOMBARD PORT ARTHUR.

London, May 11.—The Tokio correspondent of the Morning Post, cabling under date of May 10, says that a high angle bombardment of Port Arthur is proceeding.

GET NO PARTICULARS

BUT RUSSIANS REJOICE OVER
NEWS THAT PORT ARTHUR
ROAD IS OPEN.

St. Petersburg, May 11.—The most important official news from the front is that of the complete re-establishment of railroad and telegraphic communication with Port Arthur, though how it was brought about and whether a battle was necessary to accomplish it are mysteries which Viceroy Alexieff failed to clear up.

The elation of the authorities, a natural consequence of this achievement, is sobered by official dispatches showing the activity of the Japanese in Eastern Manchuria. Huangtiang-sai, fifty miles northeast of Fenghuancheng, was occupied by the Japanese May 5. This enables an advance along the bad roads to the flank either at Liaoyang or Mukden. The territory between the main road to Fenghuancheng and the river Tayang has been penetrated by such a strong force of Japanese as to lead to the suggestion that another army has landed at Takushan, of which the outside world has not before heard.

The activity of the Japanese, however, has been expected and therefore has not diminished the satisfaction felt at the opening of communication with Port Arthur. The Slav swings from pessimism to optimism as quickly as a pendulum and Viceroy Alexieff's dispatch has produced a feeling among the people that the defeat on the Yalu and the interruption of communication with Port Arthur should not have been taken so seriously; that General Kuropatkin never had any intention of making a stand on the Yalu; that the attempt to cut off Port Arthur was an absolute feature of the enemy's plan of campaign and was bound to occur sooner or later, and that the Russians should be thankful that they had time to prepare for the defense of Port Arthur until General Kuropatkin could relieve it.

Wires in Working Order.

The people naturally wish for more details concerning the re-establishment of communication with Port Arthur. All they know definitely is that the railroad has been repaired and that at 5 o'clock Tuesday afternoon the first dispatch passed over the reconstructed telegraph lines.

There probably has been some fighting, but whether with Japanese vessels or with the troops north of Pitsewo is not known, nor have the whereabouts of the Japanese landed on the southern port of the Liaotung peninsula been definitely established. It is safe to say, however, that no engagement of importance has occurred in order to re-establish communication. Undoubtedly news of such a victory would be made public promptly owing to the state of the temper of the people. All impatience arising from General Kuropatkin's gradual withdrawal has disappeared. The Japanese, seeing that the withdrawal was thorough, and with the care that has distinguished their past operations, after making sure that no Russians were left behind, cut the vital line of communications.

The Japanese division operation May 5 and May 6 east of Tayanghe must not be confused with the army at Pitsewo, because the latter debarked on May 6. If a third army had landed at Takushan, it could have moved to Fenghuancheng and flanked the Russians, in case General Kuroki had encountered strong opposition.

The suggestion of another Japanese debarkation is generally discredited. The force acting independently is believed to be attached to General Kuroki's army. Whether or not an army was landed, a member of the general staff says that the Japanese are placing southern Manchuria absolutely under control before beginning a forward movement, thus guarding against threatened Cossack raids.

WILL BUILD THE CANAL.

John Findley Wallace Is to Be Chief
Engineer.

Washington, May 11.—Admiral Walker, president of the Panama canal commission, received a telegram Tuesday from John Findley Wallace of Chicago, general manager of the Illinois Central railroad, accepting the appointment of chief engineer in charge of the construction of the canal. Mr. Wallace will receive a salary of \$25,000 a year.

"Mr. Wallace has been considered for some time by members of the canal commission for the position of chief engineer," said Admiral Walker. "No one stands higher in his profession or is better equipped to take up the work mapped out than he, and the commission is to be congratulated on securing the services of such a man."

Mr. Wallace will take up his work with the commission on June 1. It has not been determined when he will visit the isthmus, all matters of detail being left for a future conference with the commission. In regard to the salary to be paid Mr. Wallace, Admiral Walker said that when a man undertakes to direct the construction of the Panama canal project it is necessary for him to burn his ships behind him and that \$25,000 is not too high for a man competent for so important a trust.

NEW JERSEY REPUBLICANS.

Elect Delegates to Chicago Convention
Who Favor Roosevelt.

Trenton, N. J., May 11.—The Republican state convention which was held here Tuesday for the purpose of electing delegates to the national convention to be held in Chicago on June 21, was unusually enthusiastic.

Governor Franklin Murphy, United States Senators Kean and Dryden and State Assessor David Baird of Camden were elected delegates to the Chicago convention.

The platform adopted by the convention was a strong endorsement of the Republican national and state administrations and indirectly favored the nomination of President Roosevelt to succeed himself, although the delegates were not instructed.

DELINQUENTS WILL BE SUED.

World's Fair Stock Subscribers Must
Meet Payments.

St. Louis, May 11.—The board of directors of the world's fair Tuesday took important action on the question of collection of delinquent stock subscriptions by adopting a resolution instructing the general counsel of the exposition to institute legal proceedings against all stockholders who are still delinquent on May 15. It was stated that while there is a comparatively small percentage of the total stock subscription remaining to be paid into the treasury, nevertheless in justice to the stockholders generally those who had failed to meet the payments of their subscriptions must be required to do so.

BULLET IN HIS BODY

THE EVIDENCE INDICATES YOUNG
WENTZ WAS MURDERED IN
VIRGINIA.

Bristol, Va., May 11.—The shrunken and decayed body of Edward L. Wentz, who has been missing since last October, was literally taken to pieces Tuesday by physicians and detectives in the course of the coroner's inquest which was begun at 4 o'clock in the dark cavern of Black Mountain and was closed without a verdict by the coming of night.

The startling feature of the inquest was the discovery of a 32-caliber pistol ball in the body which might have been discharged from the empty pistol of the same caliber found eighteen feet from the remains. The ball had passed through the fifth rib, entering in front, had penetrated the heart, a back rib and lodged in the muscles of the back, one and a half inches from the spine. Several holes were found in the clothing where other bullets entered, but beneath them the body was intact. The right hand was missing and was probably borne away by wild beasts. A white pearl button, which could not have belonged to the murdered man, was found near by.

There is a great difference of opinion as to the cause of Wentz's death, whether accidental, suicide or murder. Many believe it was suicide.

Knoxville, Tenn., May 11.—Warrants were served Tuesday on Silas Ison and Tom Wright, prisoners in jail at Tazewell, Tenn., charging them with the murder of E. L. Wentz. These men were first suspected of being the murderers of Wentz because a blood-stained riding suit similar to one worn by Wentz when he went riding was found in their quarters in the mountains.

CAPTAIN ALLEN SUICIDES.

Ill Health Drives Brother of "Private"
John Allen to His Death.

St. Louis, May 11.—Captain Walter Allen of St. Louis, connected with the world's fair Jefferson Guards, and a brother of "Private" John H. Allen, national world's fair commissioner from Mississippi, committed suicide Tuesday by shooting himself through the heart in a room in the dormitory of the Washington university, now utilized by the exposition. He left a note stating that ill health had driven him to commit the act. His wife and two children survive him.

ASK FOR ASSISTANCE

CHICAGO CAPITALISTS WANT TO
ESTABLISH NEW RAILROAD
IN CANADA.

TO LINK LAKES AND OCEAN

PROPOSED LINE WOULD CON-
NECT THE GREAT LAKES AND
THE ATLANTIC.

Ottawa, Ont., May 11.—Chicago capitalists waited on Sir Wilfrid Laurier during the day and asked that the government guarantee bonds to the extent of \$20,000,000 on a railway from Gaspé Basin on the Gulf of St. Lawrence to Georgian Bay, to connect the Great Lakes and the Atlantic. They also asked the government to guarantee the bonds for a bridge over the St. Lawrence at Montreal to the extent of \$7,000,000. The new enterprise is to be called the Central Trunk railway and will take the place of the old Atlantic and Lake Superior should it be incorporated and receive government aid. The premier said he would consider the matter.

MERGER OF TELEPHONE LINES.

All Independent Concerns in the Unit-
ed States to Be Consolidated.

Louisville, May 11.—The Post says preliminary steps toward the consolidation of all the independent telephone lines in the United States will probably be taken at a conference which will be held in this city between President J. G. Spaulding of the Pittsburgh and Allegheny Telephone company and the officials of the Louisville Telephone company.

The Pittsburgh representatives are now in Toledo inspecting the independent telephone plant in that city.

The visitors will be shown over the local plant of the Home Telephone company and in company with the representatives of the Home company will go to St. Louis, where a conference will be held with the officials of the Kinloch Long Distance Telephone company of that city. The St. Louis conference, it is believed, will be final.

THE METHODIST CONFERENCE.

Sixth Day's Session Taken Up by Ad-
dresses and Resolutions.

Los Angeles, May 11.—The sixth day's session of the general conference of the Methodist church was mostly taken up by addresses by fraternal delegates. No business other than the presentation of a few resolutions and their reference to committees was taken up. Rev. Dr. Waddy Moss of Didsburgh college, Manchester, Eng., came before the conference in behalf of the English Methodist church. He pilloried the prevalence of mystical tendencies in the church abroad.

Rev. Charles H. Crookshank of Ireland spoke for the Methodist church in Ireland. He asserted that the Methodist church has gained numerically, though other churches had lost on account of immigration.

No Battle in Acre Territory.

Lima, Peru, May 11.—Foreign Minister Pardo said to a correspondent Tuesday that there is no truth whatever in the report that a battle had taken place between Peruvians and Brazilians in the Acre territory.

ROBBED THE RED CROSS.

Russian Official Said to Have Taken
Over Half a Million Dollars.

Berlin, May 11.—Die Post publishes a news agency dispatch from St. Petersburg which says that General Schwedoff lost over \$500,000 through speculation in stocks and took the money from the Red Cross treasury. In order to avoid scandal the empress dowager reimbursed the sum. The dispatch further says that Prince Galfzin and Count Lansky have also been guilty of irregularities in connection with the Red Cross management.

FOR THE JAPANESE NAVY.

American Firm Gets a Contract for
Submarine Boats.

Newport News, Va., May 11.—From a high source comes the information that a contract has been awarded the Newport News Shipbuilding company for the construction of four Lake submarine boats destined for service with the Japanese navy in the war in the far East.

Shipyard officials here refuse to confirm or deny the report, but it is known that the yard has been rushing work on warships contracted in an indirect way for the mikado's government for some time past.

DR. AMES ON THE STAND.

Former Mayor of Minneapolis Testi-
fies in His Own Behalf.

Minneapolis, May 11.—Ex-Mayor Ames was on the stand yesterday in his own defense in his trial for bribery. He caused something of a sensation by declaring that W. A. Tanner, now dead, was collector of campaign funds for the Republican party of Hennepin county among the gamblers and prostitutes. Dr. Ames denied Irwin Gardner's statement regarding the collection of "graft."

BROTHER INTERVENED

But he got a Black Eye for It—Little Seance in East Brainerd Aired in Police Court

Late yesterday afternoon there was a petty case in police court that attracted considerable attention when Charles Bisar a young man not twenty years of age was charged by "Jimmy" Mohler with assault. "Jimmy" is also a youngster but that didn't make any difference they both mixed in good shape and what scars there are on their faces were caused by scratching and gnawing, according to the testimony. It seems that young Bisar was over calling on the Mohler girls, Goldie and Alice, last Friday afternoon. He and Goldie, according to the testimony, strolled out under the branches of the trees, but the testimony did not disclose whether there were any leaves on the branches or not. Anyway Miss Goldie just took a pillow and went to recline on the grass grown last year and which had't the semblance of green at all. According to the testimony Miss Goldie said she was up town to "snub" someone and Bisar told her she better not; that she might come home with a black face. She got mad and went to the house and told "Jimmy" her brother who soon came down to where Bisar was and wanted to know why he had opened up on his sister. One word followed another until they came to blows with the result that when time was called they were both on the ground with the points slightly in favor of Bisar for he had Mohler's thumb in his mouth and was for a minute the man behind the gun so to speak. In police court Bisar was found guilty of simple assault and was fined \$7 and costs, which he paid.

Anyway Miss Goldie just took a pillow and went to recline on the grass grown last year and which hadn't the semblance of green at all. According to the testimony Miss Goldie said she was up town to "snub" someone and Bisiar told her she better not; that she might come home with a black face. She got mad and went to the house and told "Jimmy" her brother who soon came down to where Bisiar was and wanted to know why he had opened up on his sister. One word followed another until they came to blows with the result that when time was called they were both on the ground with the points slightly in favor of Bisiar for he had Mohler's thumb in his mouth and was for a minute the man behind the gun so to speak. In police court Bisiar was found guilty of simple assault and was fined \$7 and costs, which he paid.

TO GO ON A SPECIAL

Bachelor Maids Decide to Go to Aitkin tomorrow Afternoon on a Special train and have Already Chartered One.

The Bachelor Maids will give their big minstrel performance tomorrow night at the Aitkin opera house and they have decided that they will go down on a special train which will leave Brainerd between 4 and 5 o'clock tomorrow afternoon returning after the show. The girls decided this afternoon that it would be almost impossible to go down on the regular train as many who are in the chorus could not go then. The trip will be a delightful one and all who can go from Brainerd will have a jolly time. The fare is but \$1.08 for the round trip and the Bachelor Maids are hoping that the cars will be crowded. All who intend to go down should notify any member of the club at once.

Governor S. R. Van Sant, Secretary of State Hansen and State Auditor Iversen will be in Aitkin tomorrow night and will attend the Lady Minstrel performance by the Bachelor Maids of this city.

MONTREAL IS INTERESTING

Communication from John C. Hessel In Which he Extols the Beauty of That City and how he Enjoys his Visit.

Montreal, May 7, 1904.

EDITORS THE DISPATCH:

The place where you are treated best and grumble most is home. Well, I am 1,200 miles from home, here in the fine city of Montreal. It is a city of trees and parks with the great river, St. Lawrence, sweeping in front. After a pleasant drive of three hours I find it a city of marked contrasts where the picturesque quaintness of vanished ages is mingled with luxury and enterprise of modern times, where the old narrow streets harmoniously exist with broad streets and modern business blocks, fine public buildings, expensive private residences, convents and churches. DuLuth, founder of Duluth, dwelt here. Champlain founded Mount Royal, now Montreal, in 1611, so it makes it a very old town. Dominion Square, Royal Victoria Hospital, Place Viger Hotel with its Carara marble entrance, are all superb. The cathedral of St. James, the miniature of St. Peter at Rome, the old church of Notre Dame, with a 1,500 seating capacity, the fine Protestant churches and colleges galore, make this quaint old city very interesting for the tourist. I am glad I made the trip around this way. Coming back I will go by the way of Chicago and will be able to see a great part of our American country. The most desolate country I saw was along the Soo for 800 miles, a God forsaken country. The first fair town I struck was North Bay on Georgia Bay of Lake Huron. From there on I saw some fine and prosperous looking farms. Spring work and vegetation is not much ahead of us at home.

I will go from here through Vermont and along the American Rhine, the Hudson river, to New York.

2 p.m.—Have just returned from a visit to McGill university founded in 1823 and one of the foremost educational institutions of the world and a drive on terraces of Mount Royal. The sight over the city and harbor with its large steamers is immense. I returned on Sherbrooke street, the most fashionable of the city, which revels in opulent homes of wealthy citizens.

With regards to all friends and yourself I remain,

Very truly yours,

J. C. HESSEL.

GREAT PYTHIAN FESTIVAL

Many From Brainerd Will go to Minneapolis to Attend the big Gathering of Knights of Pythias May 21

About two dozen people, as far as can be learned, are going to Minneapolis on May 21 to take in the big Pythian Festival which will be held under the auspices of the order of Knights of Pythias. Delegations will be present from almost every part of the northwest and it will be a notable gathering. It is a general outing for members of this order. The Brainerd delegation will go down on Friday night May 20 returning Sunday night. One of the big attractions of this festival will be the attendance of the Iowa Lodge team of Dayton, Ohio, with their magnificent equipment and costumes. They have properties, it is said, more elaborate than any other lodge in the northwest today.

Barber Shop.

Frank Slama who bought the Whitford barber shop (under Molstad's tailor shop) has just had it renovated inside. The walls are nicely papered and the wood work and ceiling painted and finished enamel white.

Bath tubs will soon be added. This makes it one of the prettiest and coziest barber shops in the city. Mr. Slama says he will run his shop strictly first class. He now has as assistant, Mr. W. Latta, who has had a wide experience and is an expert with the razor and shears. Mr. Slama himself is a barber of rare ability having worked in some of the best shops in Minneapolis, Chicago and the west. He is also well known here in Brainerd having worked in the John Cochran shop before he lost his limb. He wears an artificial leg now and says he is able to work at the trade as ever. Trade solicited. 286tf

SALE RAPIDLY INCREASING

Mi-o-na, the Dyspepsia Remedy, Has Cured Hundreds of H. P. Dunn & Co.'s Customers.

One of the greatest successes in the sale of a medicine has been achieved by Mi-o-na, the dyspepsia remedy, and its sale is increasing so rapidly that H. P. Dunn & Co.'s, the popular druggists, have had hard work to keep a stock on hand.

It is very popular with well known bankers, ministers, lawyers and others whose business or profession keeps them closely confined, while those who have brought on indigestion through irregular eating, worry or other causes, have found a cure in this reliable remedy.

Mi-o-na is in the form of small tablets and is sold in a metal box especially designed for convenience in carrying the medicine in the pocket or purse. It is pleasant to take; costs but 50c, gives quick relief and makes lasting cures. This remedy has been so uniformly successful and made so many remarkable cures that H. P. Dunn & Co., will in the future sell Mi-o-na under a positive guarantee to refund the money if it should not cure. No other dyspepsia medicine ever had a large enough percentage of cure so that it could be sold in this manner. A guarantee like this speaks volumes for the merit of the remedy.

There is no time like the present to do a thing that ought to be done. If any one has dyspepsia, today is the best time to begin curing it. 5

FIELDS MINSTRELS.

The comedians with the A. G. Field Greater Minstrels this year, include, in addition to Mr. Field himself, Harry Shunk, Tommy Donnelly, Lew Spencer and Lester Fairman, the best quartette of colored fun makers now before the public. To say nothing of the inimitable work of Mr. Field, that has made him a household word in all parts of the country, Shunk, Donnelly, Spencer stand at the head of their profession. Blackford is the best old man in the profession to-day, and old-time lovers of amusements recall the Dryants, Trowbridge and Pell when comparing the work of Spencer, Shunk and Donnelly have been features of the A. G. Field Greater Minstrels for years, and Lester Fairman is fast becoming one of the stars. Their "end business" is new, bright and up-to-date, their monologues contain all that is best in that sort of work, and there is a neatness and cleverness about theirs that is refreshing. They come to the Brainerd Opera house Wednesday May 18th.

PIANO QUARTETTE.

Music lovers of Brainerd will find something to their liking in the program, published in yesterday's DAILY DISPATCH to be given by the ladies' piano quartette at the First Congregational church on Monday evening next. The ladies are all artists on the piano and as the proceeds go to a worthy object, reimbursing the Misses Schultz, Myson and Horn for their work in furnishing music for different events in the city during the past months, the event should be well patronized.

CAN'T KEEP IT UP.

Can't Deceive Brainerd People Very Long—They Learn Quickly.

It is sometimes an easy matter to fool the public, but you can't keep it up very long. They are sure to find you out, and every time a man is fooled another skeptic is made. We are naturally skeptical when reading a published statement given by some stranger residing in a faraway place, but the circumstances are entirely different when home endorsement is presented. The testimony of local citizens renders deceit impossible. It is so easy for you to investigate. Read this case:

Mrs. Moses Derocher of 127, 7th street south says: "Low down in the small part of my back there was a pain, very distressing by spells, becoming much worse and causing me discomfort, to say the least. My husband bought a box of Doan's Kidney Pills at the nearest drug store and I started taking them. The medicines I had used failed to help me but I can truthfully bear witness that Doan's Kidney Pills relieved my backache entirely and corrected a disorder of the kidneys which accompanied the backache."

Sold for 50 cents, at H. P. Dunn & Co., and all druggists. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name—Doan's—and take no substitute.

British Servants Stain.

hand.

It is very popular with well known
bankers, ministers, lawyers and others
whose business or profession keeps
them closely confined, while those who
have brought on indigestion through
irregular eating, worry or other causes,
have found a cure in this reliable reme-
dy.

Mi-o-na is in the form of small tablets
and is sold in a metal box especially de-
signed for convenience in carrying the
medicine in the pocket or purse. It is
pleasant to take; costs but 50c, gives
quick relief and makes lasting cures.

This remedy has been so uniformly
successful and made so many remark-
able cures that H. P. Dunn & Co., will
in the future sell Mi-o-na under a positive
guarantee to refund the money if it
should not cure. No other dyspepsia
medicine ever had a large enough per-
centage of cure so that it could be sold
in this manner. A guarantee like this
speaks volumes for the merit of the
remedy.

There is no time like the present to
do a thing that ought to be done. If
any one has dyspepsia, today is the best
time to begin curing it. 5

FIELDS MINSTRELS.

The comedians with the A. L. G. Field
Greater Minstrels this year, include, in
addition to Mr. Field himself, Harry
Shunk, Tommy Donnelly, Lew Spencer
and Lester Fairman, the best quintette
of colored fun makers now before the
public. To say nothing of the inimit-
able work of Mr. Field, that has made
him a household word in all parts of the
country, Shunk, Donnelly, Spencer stand
at the head of their profession. Black-
ford is the best old man in the profes-
sion to-day, and old-time lovers of
amusements recall the Dryants, Trow-
bridge and Pell when comparing the
work of Spencer. Shunk and Donnelly
have been features of the A. L. G. Field
Greater Minstrels for years, and Lester
Fairman is fast becoming one of the
stars. Their "end business" is new,
bright and up-to-date, their monologues
contain all that is best in that sort of
work, and there is a neatness and clever-
ness about theirs that is refreshing. They
come to the Brainerd Opera house
Wednesday May 18th.

PIANO QUARTETTE.

Music lovers of Brainerd will find
something to their liking in the program,
published in yesterday's DAILY DISPATCH
to be given by the ladies' piano quar-
tette at the First Congregational church
on Monday evening next. The ladies
are all artists on the piano and as the
proceeds go to a worthy object, reim-
bursing the Misses Schultz, Mysen and
Horn for their work in furnishing music
for different events in the city during
the past months, the event should be
well patronized.

CAN'T KEEP IT UP.

Can't Deceive Brainerd People Very
Long—They Learn Quickly.

It is sometimes an easy matter to fool
the public, but you can't keep it up very
long. They are sure to find you out; and
every time a man is fooled another skep-
tic is made. We are naturally skeptical
when reading a published statement
given by some stranger residing in a far
away place, but the circumstances are
entirely different when home endorse-
ment is presented. The testimony of
local citizens renders deceit impossible.
It is so easy for you to investigate. Read
this case:

Mrs. Moses Derocher of 127, 1st street
south says: "Low down in the small
part of my back there was a pain, very
distressing by spells, becoming much
worse and causing me discomfort, to say
the least. My husband bought a box of
Doan's Kidney Pills at the nearest drug
store and I started taking them. The
medicines I had used failed to help me
but I can truthfully bear witness that
Doan's Kidney Pills relieved my back-
ache entirely and corrected a disorder of
the kidneys which accompanied the
backache."

Sold for 50 cents, at H. P. Dunn &
Co., and all druggists. Foster-Milburn
Co., Buffalo, N. Y., sole agents for the
U. S.

Remember the name—Doan's—and
take no substitute.

British Servants Slain.

London, May 11.—The Times this
morning publishes a dispatch from
Giantse, Tibet, which exposes the
butchery of eight servants of the Brit-
ish missions by Tibetans. The
Tibetans contemplate a combined ef-
fort to overwhelm the mission.

Announcement.

I desire to announce to the people of
Brainerd that I am now conducting a
strictly first class cafe and catering ex-
clusively to the trade of ladies and gen-
tlemen, and I give my personal assur-
ance that the most fastidious may pa-
tronize it with perfect propriety. It is
handsomely furnished throughout and
equipped with private dining rooms for
the use of family and theatre parties
and no expense or pains have been spared
to supply the tables with the very
best that a metropolitan market can af-
ford. I have been fortunate enough to
secure the services of Chef Anderson,
late of the West Hotel, Minneapolis, and
one of the best artists in his line in the
entire western country, and this in it-

self should be a sufficient guarantee of
the high standard I am endeavoring to
maintain. We make a specialty of sea
foods, shell fish, lobsters and Kansas
City loins, and serve you on very short
notice at any time either day or night.
A business man's lunch is served from
